Conditions over page

**This licence is subject to following conditions:**

1. The licensee must display the licence in a prominent position at/on the premises
2. The licensee must allow an authorised person to access the premises during normal business hours.
3. If applicable, the licensee must comply with the accredited food safety program and allow an auditor to access the premises to conduct audits.
4. Ensure that Council is advised of any amendments to the premises and licence details. Amendments must be applied for by submitting to Council the completed approved forms with design plans if required and any relevant fees if required.
5. The licensee must adhere to the requirements of the *Food Act 2006* and the Food Standards Code 3.2.2 and 3.2.3.
6. The licensee must ensure that all related licence fees are paid within stipulated timeframes.
